

NICHAPHAT SUWANWONG

▶ UX/UI Designer

<https://mewji.github.io/mewjibox> 
mewji.works@gmail.com 
(+66)858457806 

Eight years of experience in supporting clients in an IT consulting company gave me a very big and long chance to understand people and client's business. Seeing people's lives better while the business meets their goals is the reason why I am passionate to come into the User Experience Design career "
